Education

University of Waterloo *Sep 2024 to Apr 2029*
BCFM in Computing & Financial Management

- **Majors:** Computer Science, Accounting & Finance
- GPA: 3.9/4.0
- **Coursework:** Analyzing Financial Markets in Python, Designing Programs, Algorithm Design and Data Structures, Techniques for Software Development, International Business

Projects

AlzGuard – YIC (Youth Impact Challenge) Winning Project *GitHub Link* ↗

- Developed the front-end and AI model using React, Python, HTML, and CSS for an Alzheimer's detection tool aimed at physicians, which won a $1,000 prize at YIC.
- Developed a convolutional neural network (CNN) and a Random Forest classifier to classify images and clinical data to determine the likelihood of a patient having Alzheimer's Disease
- Collaborated in a team of three to integrate machine learning models (Random Forest, Meta Classifier) for analyzing MRI scans, providing predictions with accuracy scores above 85%

Experience

Teaching Assistant *Brampton, ON*
Kumon Canada *Sep 2020 to Present*

- Provided personalized tutoring in mathematics and reading, supporting students in grades K-12 to build strong foundational skills.
- Conducted progress assessments, enabling tailored learning plans and ensuring student development.
- Assisted in classroom management, promoting a productive learning environment.
- Supported students in developing self-learning habits, fostering independence and academic confidence.

Telecommunications Consultant Intern *Missisauga, ON*
Canada Cartage System Limited *Jun 2022 to Aug 2022*

- Managed server-side telecommunications systems, optimizing network performance and ensuring seamless communication across multiple departments.
- Assisted in troubleshooting and resolving telecommunication issues, reducing system downtime and improving operational efficiency.
- Analyzed and maintained telecommunications data to ensure compliance with industry standards and internal policies.
- Collaborated with IT teams to implement scalable communication solutions, supporting the company's logistics and transport operations.
